Welcome

On behalf of the staff of IRIC and Wolf Creek School Division, I would like to welcome students and parents to our school community. We are thrilled to be starting our second school year.

The staff of IRIC is committed to empowering learners to be extraordinary. We believe that all students possess strengths and talents that will enrich our community both locally and globally. We continue to work hard to create a culture that will empower students to stretch to their potential and develop as compassionate young leaders.

Staff and two of our community members completed 7 Habit training at the end of August. We will be formally adopting this program as our character education format in our school. We are really excited about the leadership opportunities for our students as we move forward with this initiative.

School Council Needs You

Please consider contributing 1 hour a month to help your child and the culture of IRIC grow. Imagine the possibilities of what we can accomplish together as a school community if each family contributed just 1 hour a month? We are looking for parents to share their time and talents in a variety of areas. Please contact della.lastiwka@wolfcreek.ab.ca for more information. The first School Council meeting will be held on **October 2 at 6:30**. Please plan to attend.

**We are looking forward to an
Extraordinary Year!**
