THANK YOU TO IRIC NUTRITION PROGRAM SPONSORS

FCSS, IGA, Lacombe Ford

The Nutrition Program at IRIC

We are pleased to introduce the NEW Nutrition program to the IRIC community starting, Nov 2. This program is made possible through funding of the government of Alberta, Blackfald FCSS, IGA and Lacombe Ford. Through this funding and sponsorship we have been able to hire Jill Pearson, to run and coordinate this exciting program. Jill has many years of experience in food and nutrition.

The goal of the program is to increase the student access of nutritional foods during the day and to introduce and offer new foods from various food groups to students in our school. Helping kids make good food choices in their daily lives leads to healthy eating habits to build strong bodies for their future.

Each Monday, Jill will be delivering a fruit bowl with apples, oranges and bananas to each classroom before 10am to provide students with a healthy snack option for the week. In addition, the program will be offering various foods, recipes and sampling of new foods and recipes once a week to each grade on a rotation. Grade 4 - 1st week, Grade 5 - 2nd week and Grade 6 - 3rd week of each month. We are very excited about this new program and the possibilities it offers our students.

MASK HYGIENE

Please remind your child to bring home their mask(s) each day to be washed.

PARKING REMINDER

Parent Parking is located on the South side of the school. Please use this parking lot when dropping off or picking up your child. Please do not park in the North Parking lot as that is designated for Staff Only.

COVID-19: STAY AT HOME GUIDE WHEN DO I KEEP MY CHILD HOME?

BEFORE LEAVING HOME: COMPLETE A DAILY SELF-HEALTH ASSESSMENT

Daily self-screening form available on your school website.

My child is sick. How long do they need to stay home?

CORE COVID-19 SYMPTOMS

- Fever (38 °C or higher)
- Cough (continuous, more than usual)
- Shortness of breath/ difficulty breathing (continuous, out of breath, unable to breathe deeply)
- Loss of sense of smell or taste

THIS IS MY CHILD. NOW WHAT?

If your child has one or more of the Four Core COVID-19 Symptoms, they must do one of the following before they will be allowed to return to school.

1. Stay home and isolate for a minimum of 10 days from when symptoms began.

Isolation requirements are set by the Alberta Government. More information on isolation requirements are available at: www.alberta.ca/isolation.aspx

2. A student can return before 10 days ONLY if they receive a negative COVID-19 test result, AND symptoms are gone, AND they are not a close contact of someone with COVID-19.

Please Note: Siblings of a child with symptoms can still attend school, unless they too have symptoms, or are a close contact of someone with COVID-19.

How do I book a test?

Parents can fill out the **COVID-19 AHS Online Self-Assessment Tool** at: <https://myhealth.alberta.ca/journey/COVID-19/Pages/COVID-Self-Assessment.aspx> or call Health Link 811.

What if my child tests positive for COVID-19?

AHS will contact you with your child's test results.

If positive for COVID-19, your child will have to isolate for a minimum of 10 days from the start of symptoms or until they resolve, whichever is longer.

Close contacts of confirmed cases (siblings, parents/guardians) are legally required to isolate for 14 days and monitor for symptoms.

AHS will work with the school and Division on contact tracing. Continued learning will be supported for students in self-isolation.

OTHER COVID-19 SYMPTOMS

- chills (without fever, not related to being outside in cold weather),
- sore throat/painful swallowing,
- runny nose/congestion,
- feeling unwell/fatigued,
- lack of energy,
- nausea, vomiting and/or diarrhea,
- unexplained loss of appetite,
- muscle or joint aches,
- headache,
- conjunctivitis (commonly known as pink eye)

THIS IS MY CHILD. NOW WHAT?

If your child has **ONE** of the above other symptoms, they can return to school if they are feeling better, as long as it has been at least 24 hours.

Testing is not needed if they only have one of the above other symptoms, and it improves after 24 hours.

If they are not getting better, if they get worse or develop another symptom, keep your child home until symptom(s) go away.

If a child has **TWO** or **MORE** of the above other symptoms, they can return to school once symptoms go away, as long as it has been 24 hours since symptoms started.

A COVID-19 test is recommended for two or more other symptoms but not required.

What if my child has traveled outside of Canada in the last 14 days?

When entering or returning to Alberta from outside Canada, individuals are legally required to quarantine for 14 days unless enrolled in the Alberta COVID-19 International Border Pilot Project. More info at: www.alberta.ca/international-border-pilot-project.aspx

What if they had close contact with a case of COVID-19 in the last 14 days?

The child is required to quarantine for 14 days from the last day of exposure.
